

PCs

Select a Fact Sheet manufacturer by single-clicking one of the following:

NOTE: Return to this starting point by selecting: **Window - TFSPC.PDF**

⇒ Compaq

⇒ Dell

⇒ NEC

⇒ Sony

⇒ Toshiba

Notes for Using Acrobat Reader

- Tile all active windows using the Window pull-down.
- Close any active window by pressing Ctrl+W
- Exit Acrobat Reader at any time by pressing Alt+F4
- Print an active window using the File pull-down.
- Place the cursor on a selectable option and the cursor changes from a “grabbing” hand to a “pointing” hand. Remember – it only takes a single click!
- Enhance viewing by selecting:
Edit - Preferences - General - Default Magnification: Fit Width
